Cablaggio raccomandato per installazioni outdoor - Recommended wiring for outdoor installations

Dimensioni / Dimensions (inches)

- La morsettiera di alimentazione non è inclusa/the terminal block not included
- Dare tensione all'impianto solo dopo aver collegato tutti i LED all'alimentatore/ Connect the fitting to the power supply only after connecting all LED to the driver
- L'installazione deve essere fatta da personale qualificato./Installation should be carried out by a suitable qualified installer.

Piantare l'asta nel terreno appena umido a circa metà della sua lunghezza.
Plant the rod into the damp ground for half of its length.

Allentare leggermente il perno di bloccaggio e far scorrere lo spot lungo l'asta regolandone la posizione. Stringere nuovamente il perno.
Slacken lightly the locking pin. Let slide and adjust the position on the rod. tighten the pin again.

Diagramma di collegamento in serie / Series wiring diagram

Esempio di collegamento/ Example of connection

* Verificare la tensione di ingresso supportata dagli alimentatori / Verify the input tension supported from drivers.
