ILTI LUCE

ILTI LUCE

Tilde

Charles Kalpakian

Tilde 575 mm, matte sand,
Tilde 240 mm, silver grey.

Tilde takes shape from the archetypal curve of terracotta, reinterpreted in a modern key, enhancing its lightness through an aluminum structure.

Tilde nasce dalla curva archetipa della terracotta, reinterpretata in chiave moderna esaltandone la leggerezza attraverso una struttura in alluminio.

CCT and delivered flux may vary depending on the lamp’s internal finish.

The lamp diffuses an indirect and homogeneous light, creating a calm and immersive atmosphere that enhances both the object and the surrounding architectural space.

La lampada diffonde una luce indiretta che si distribuisce uniformemente, creando un’atmosfera calma e immersiva in grado di valorizzare sia l’oggetto, sia lo spazio architettonico circostante.

GENERAL INFORMATION

IT
Obiettivo di ILTI LUCE è quello di proporre soluzioni tecnologiche all'avanguardia, anche tramite un continuo e costante processo di aggiornamento. Per definizione la tecnologia è mutevole ed in costante evoluzione. Suggeriamo, per assicurare la consultazione delle informazioni più recenti sui prodotti, di verificare quelle disponibili sul nostro website www.iltiluce.com. Questo documento è stato redatto a novembre 2026. Sostituisce ed aggiorna qualsiasi altra pubblicazione in relazione ai prodotti elencati.
A causa di naturali limiti tecnici di riproduzione e stampa, il colore dei modelli a catalogo è puramente indicativo e non può costituire motivo di rivalsa.

EN
ILTI LUCE's goal is to propose cutting-edge technological solutions, also through a constant updating process.
By definition, technology is changing and continuously evolving. To ensure the consultation of the latest product data, we recommend referring to the information available on our website www.iltiluce.com. This document was drafted in November 2026. It replaces and updates any other publication in relation to the listed products.
Due to natural technical limitations of reproduction and printing, the colour of the models in the catalogue is purely indicative and cannot constitute grounds for recourse.

DE
Das Ziel von ILTI LUCE ist die Entwicklung von technologischen Lösungen auf dem neuesten Stand, auch durch einen ständigen Aktualisierungsprozess. Die Technik entwickelt sich ständig weiter. Um die aktuellsten Produktunterlagen einzusehen, empfehlen wir, sich auf die Informationen auf unserer Website www.iltiluce.com zu beziehen. Dieses Dokument wurde im November 2026 verfasst. Es ersetzt und aktualisiert alle anderen Veröffentlichungen in Bezug auf die aufgeführten Produkte.
Aufgrund der technischen Grenzen der Reproduktion und des Drucks sind die Farben der im Katalog abgebildeten Modelle rein indikativ und können nicht als Reklamationsgrund dienen.

FR
L'objectif de ILTI LUCE est de proposer des solutions technologiques de pointe, également à travers un processus de mise à jour constante. Par définition, la technologie évolue et change continuellement. Pour garantir la consultation des dernières données produits, nous vous recommandons de vous référer aux informations disponibles sur notre site wwwiltiluce.com.
Ce document a été établi en Novembre 2026. Il remplace et met à jour toute autre publication relative aux produits cités.
En raison des limites techniques naturelles de reproduction et d'impression, la couleur des modèles du catalogue est purement indicative et ne peut constituer un motif de réclamation.
